If you can't cruise, join us by car!

Okay, we are getting down to crunch time for the Spring Cruise! The date is April 6 and we depart at 1000hrs. We will meet at the mouth of the harbor off of the point and head directly to Bayou Lacombe. I plan on going over on Friday afternoon to sound the mouth of the Bayou and mark the deepest route through the channel. The Club is going to provide our evening meal on Saturday (I believe it will be roast pig and the trimmings, as last year). You will be responsible for all other meals and each boat will provide there own wine and refreshments. I have taken the liberty of booking a band and we will pass the hat to offset that cost. They should begin playing around 1900hrs. At this point we will need an accurate head count so that the Yacht Club can be prepared for dinner.

Please e-mail cruising@southernyachtclub.org with your intent to attend. We need a head count for the dinner! I will send another email next week with channel information and coordinates that you will need to find Scott's harbor entrance.
